Contemporary Art and Underground Culture Scene in the Eastern Europe under and after Communism	The course is dedicated to understanding of some important special features of art and culture of the region where Latvia (and the LAA students) belongs to – Eastern Europe. History and interpretation of the culture of the region during Soviet rule is yet to be written but it is important for the aspiring artists, designers, curators and art critics who live and work here understand its speciality and uniqueness in Europe. The course starts from the wide historical and cultural introduction to the subject and then continues with a discussion of on several important cases of contemporary art and underground cultural scene in USSR (Russia, Latvia), Czechoslovakia and Poland. In the middle of the course there will be another wide introduction – this time to the post-Soviet period. Second part of the course will be dedicated to the changes which happened in contemporary art and underground culture of the region after 1991.	Kirils Kobrins
Anatomy	Digitalized and interactive anatomy for art and design students to improve their drawing, painting, and sketching skills in anatomy. Based on Anatomy Next — anatomy learning tools for students and teachers. Anatomy Next is a very successful, world-known educational technology start-up to help students learn anatomy faster and more efficiently.	Uldis Zariņš
Creative Methods in Art Pedagogy	The course prepares students for planning and conducting art-based visual arts classes for school age children. Such an experience can be useful in teaching for both - formal and non-formal education. Graduates will gain theoretical knowledge and practical experience in transforming an idea based on creative practice (art or design) into a teaching practice.	Ilze Vītola
