MakZBB34	Art History of Latvia	The course is taught to Erasmus+ students, and its purpose is to give an insight into and a general idea of the development of Latvian art history in a cultural and historical context. Alongside art history, the course provides basic knowledge of Latvian history,	Ieva Rozentāle	6

		ethnography, and architectural history. The lecture course chronologically covers the period from prehistory to the 20th century. Visits to exhibitions and museums are organized as part of the course to broaden and improve students' knowledge and to promote connection with contemporary cultural progress.		
MakZBB36	Theory of Contemporary Art	The academic course deals with all the significant events in recent art history, starting from the international conceptual tendencies in the 60s, like land art, minimalism, Art Povera, Nouveaux Réalisme, Fluxus, and others, the postmodern narratives in the 80s and the 90s. The final part will be dedicated to the actual debates in the global contemporary art scene. Each lecture will be accompanied by rich visual materials, including films originating from museums. After finishing the course, the students will be able to recognize the most prominent personalities and their most iconic artworks.	Raimonds Kalējs	3
MakZBB37	Anatomy	Digitalized and interactive anatomy for art and design students to improve their drawing, painting, and sketching skills in anatomy. Based on Anatomy Next — anatomy learning tools for students and teachers. Anatomy Next is a very successful, world-known educational technology start-up to help students learn anatomy faster and more efficiently.	Uldis Zariņš	3
MakZBA67	Art Pedagogy in Cultural Environment	The course prepares students for planning and conducting art-based visual arts classes for school age children. Such an experience can be useful in teaching for both - formal and non-formal education. Graduates will gain theoretical knowledge and practical experience in transforming an idea based on creative practice (art or design) into a teaching practice.	Ilze Vītola	3
MakZBB40	Art in Public Space	This course introduces students to the different forms of art in public spaces, expanding their knowledge by discussing and analyzing contemporary art events in Latvia and around the world. The goal is not only to provide information but also to encourage students to think critically, analyze, discuss, and form their own opinions. Erasmus students will learn about current trends and traditions in contemporary art in Latvia, with a focus on art in public spaces. The course includes exhibition visits and meetings with curators and artists. At the end of the course, students will prepare a presentation about public art in their home country or on a topic of their choice. Art has the ability to transform an empty space into a meaningful place. It can honour a person or event, serving as a memorial, or critically address society. It can generate and reveal the most diverse emotions and	Inese Baranovska	3

		ideas.		
MakZBB32	Stained Glass Basic	The course introduces students to the classic stained-glass technique; students are able to realize their own composition or choose to copy a sample. It is possible to supplement the work with painting or cold techniques.	Sandra Utāne	3
MakZBB46	Relief printing	Students get acquainted with and develop technical skills in Relief printing – the classic and contemporary techniques of their choice: linocut, collagraphy, and material print. The courses focus specifically on imparting the necessary manual skills. During the semester should be worked out 2 separate compositions. Works have to be presented on the Semester final Assessment show.	Vita Lēnerte	3
